Principal's Message

Welcome to Esmé Jones who is joining Mrs Bevitt and the K/1 students in Kindergarten.

This week we have been discussing with the children the importance of telling the teacher if something happens to them at school and not waiting till they get home and telling mum or dad. It is imperative that the children understand the importance of dealing with a situation as it arises so we can resolve it immediately. Many of our younger children often forget what happened which makes it very difficult to revisit and resolve the situation later. Please come and see your child's teacher if your child has any concerns.

Photos: This year we will be using Annette Hawkins for our school photography. School photos will be taken on Friday 23rd February, 2018. Envelopes will be sent home next week with the newsletter.

Canteen: Canteen is on tomorrow. The new price list is attached to the newsletter.

Tennis Trials: Marcus Smith and Tannor Purdon have qualified for the Zone Tennis try outs. Well done boys!
