Principal: Michelle Wilson

Principal's Message

We all hope you had a happy and safe Easter and you are ready for a busy week.

Thank you to our wonderful P&C for their incredible fundraising efforts this term. You are an amazing group of people who go above and beyond for the children at Mitchells Island Public School.

Canteen: There is NO canteen tomorrow as we will have our special sausage on a roll for Friday's lunch.

P&C Meeting: The P&C meeting will be changed from Monday 2nd April, 2018 to Thursday 5th April, 2018. This is due to Easter Monday public holiday.

Cross-Country and 20c Day: This Friday 6th April, we will be holding our combined Cross Country event with Manning Gardens and Mt George Public Schools. The events will start at 9.30am with our K/1 students running first. When the other schools arrive at 10.00am, we will start the 2-6 races. The Cross Country will conclude at recess. After recess, the 2-6 students from MIPS will hold carnival like stalls where all the students can bring in money to play their sideshow alley games. Most games will cost 1 token with ice-cream cones being 2 tokens. The children can bring along as much money as you would like them to have (It doesn't need to be all 20c coins). They will then trade their coins or notes for tokens, which they can then use to play the activities. All money raised will go towards the Year 6 gift to the school. We will then have a sausage sizzle for lunch, which will be \$5. This includes a sausage on a roll, with a fruit juice or a water.

Poor Mrs Wilson was tied up by the Easter Bunny, so she didn't find all the Easter eggs before the children!

Reminders:

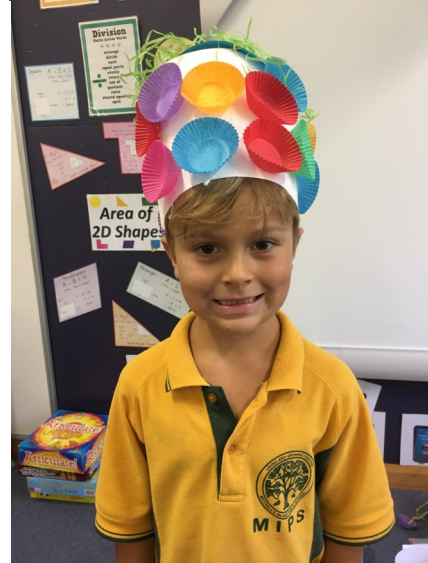

5/4/18	NO Canteen today
6/4/18	Cross Country 20c Day
12/4/18	State Swimming Carnival
13/4/18	Last day of Term 1
1/5/18	Students Return for Term 2

Professional Learning: Mel and I attended a training day at the Newcastle University around technology and STEAM implementation in schools. We also learnt about a program that the University of Newcastle runs called Children's University. The children take part in extracurricular activities in their own time and this leads to them graduating from the Children's University. They would attend a graduation ceremony at the University. This is a program we may look into for 2019.
