Principal: Michelle Wilson

Principal's Message

Welcome back for another fun filled and exciting term.

Canteen: There is **NO** canteen tomorrow. Canteen will start next Thursday.

Staff Development Day: On Monday, the staff attended a workshop on STEM (Science, Technology, Engineering and Maths). We had a wonderful day learning about new and exciting ways to engage our learners. We have some new resources arriving this week to help support the learning in the classroom.

State Swimming: At the end of last term, Marcus, Tannor, Denver and Michael attended Homebush Aquatic Centre to compete in the small schools relay. They all swam well and we came 21st in the state. Great job boys, we are super proud of you.

State Tennis: We would like to wish Tannor good luck at the State Tennis in Albury for next week.

Zone Cross Country: Good luck also to our Cross Country runners who will compete at Wingham on Friday.

Science Day: Tomorrow we are attending Lansdowne for an exciting Science Day. We will be travelling by bus and we will be leaving school at approximately 8.45am so we would like all students at school by 8.30 to ensure we are ready to leave.

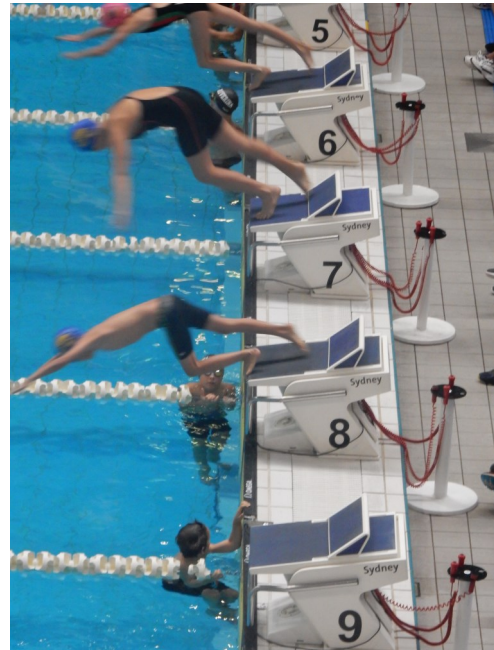

Book Club: This week Scholastic Book Club brochures have been handed out. For further enquiries see Mrs Wilson or Mrs McCowan. Orders can be completed online or by returning the order form and money to the office.

Year 2-6: A new spelling homework grid went home yesterday. The class was also given a reading log. Please encourage your child to read at home to further their passion for reading.

Reminders:
