6/7/18	End of Term 2.

Principal's Message

Canteen: Canteen is on tomorrow. Thank you to Kayleen and Renee for volunteering.

Public Speaking: Yesterday, the children participated in the Small Schools Public Speaking competition. They all did a wonderful job and spoke with confidence. We had 2 second place winners, Tannor Purdon-Stage 3 and Darcy Seach-Stage 2.

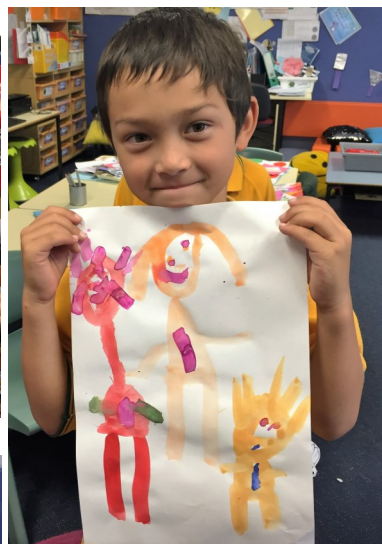

Senior Debate: Congratulations to our senior debating team consisting of Ben, Marcus, Tannor and Darcy. They won their first debate against Bungwahl. Thank you to Darcy for filling in at short notice.

Excursion: I am still waiting on a few parents to indicate their interest in the end of year excursion. Please come and see me if you have any concerns about the excursion. I understand that it is an expensive cost when sending more than one student and a parent. The school is allocated funds each year to support families with the financial burden of sending students on excursions, so please come and speak to me.

Athletics Carnival: The Small Schools' Athletics Carnival will be held on Tuesday, 26 June at the Taree Rec Grounds. A note will go home next week for this. Transport will be private vehicle and all students are expected to participate.

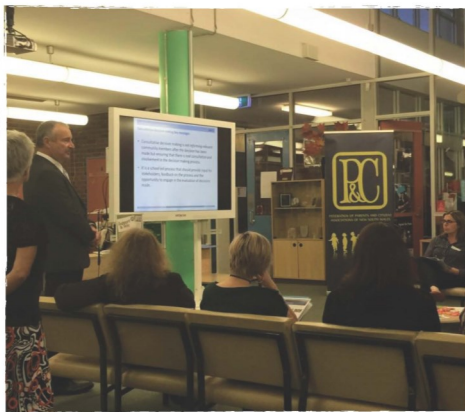

Biripi Dental Screening: The Biripi Aboriginal Corporation Medical Centre have kindly offered free dental screening for ALL students of Mitchells Island school on Monday, 2 July. Please return the attached form if you would like your children to participate.
